Description

UNIVERSITY OF NIŠ MISSION: integration into the European higher education area in accordance with the highest quality standards of education, research and professional work. UNIVERSITY OF NIŠ VISION: a modern and recognizable Serbian and European university that is comparable to foreign higher education institutions of the highest rank in terms of quality of study programs, teaching activities, research and professional work. From the University foundation until the academic year 2016/2017, 68408 students have graduated from the University of Niš, 1350 of them being foreign citizens, while 2571 postgraduates acquired their magister degrees and 1849 candidates, including 45 foreigners, defended their doctoral dissertations. The University of Niš maintains rich bilateral and multilateral collaboration with many academic and research institutions and associations from the country and abroad. Close links with foreign partners are kept through the membership in various international and interuniversity associations, through international programs and projects, or on the basis of contracts on direct collaboration.
