MANAGING PARTNER

CONFIDA

<http://www.confida.rs>

DESCRIPTION CONFIDA is an international tax advisory, consulting, and accounting network with offices in Austria and many countries in Southeast Europe. The individual CONFIDA companies are financially and legally independent of each other and follow the same consistent, high-quality and performance standards. We advise clients from all sectors of the economy in an increasingly globalized economic environment. According to the economic structure in Austria, we serve businesses, professionals, farmers, foresters and industrial companies. Due to the combination of international experience and local expertise, our customers receive the best response to all their questions. The trust of our clients is the most important basis of our cooperation and, at the same time, the primary guarantor of success. CONFIDA has more than 300 employees in Austria and the growth markets of Southeast Europe. This makes us a strong partner both on the local and international level.
