Law Office Sekulovic

<http://www.sekulovic-law.rs>

## Description

he Law Office Sekulovic was established by Mr. Aleksandar Sekulović in 1991. In the last period we became a fast growing, young, dynamic and committed law firm, leader in the business law sector, institutional relations and advocacy. The Partners, together with its in house stuff as well as with external experts, and their extensive local and international education and experience, can provide solutions to a variety of issues and problems and to give to the clients confidence when operating on the Serbian market. We are a leading Law Office specialized in corporate, contract, tax, bankruptcy, international trade, labor, banking and finance law on Serbian market.
