

Erich Cossutta

Vice president

Confindustria Est Europa

<http://www.confindustriaest.eu>

Description

Confindustria Est Europa, initially established as “Confindustria Balcani”, is the federation of the Italian business associations of the Southeast Europe. It was founded on October 13th, 2010 with the aim to make the Italian economy in this area more consistent, integrated and more incisive. Currently the federation merges more than 1.200 Italian companies operating in Balkans. The members of Confindustria Est Europa are: Confindustria Albania, Confindustria Bosnia and Herzegovina, Confindustria Bulgaria, Confindustria Macedonia, Confindustria Romania e Confindustria Serbia.
