Description

City Express doo (Member of Austrian Post International Group) is the leader in the “door to door within 24 hours” parcel delivery service throughout the territory of Serbia. The company was founded in 2002 in Belgrade as the first private company offering express parcel delivery. Expansion of the business and rapid development was made possible with the logistic support of 330 vehicles, 500 employees and a presence in 16 centres + main HUB on the territory of Serbia. City Express doo has provided users of courier service on the Serbian market fast, simple and economic solutions for both the business and private segment. In November 2007, City Express was acquired by Austrian Post, Parcel and Logistics Division. It is the first and only parcel delivery company in Serbia with a 100% foreign capital ownership share.
