BILATERAL MEETINGS

Wednesday 17:00 - 19:30

DESCRIPTION About Saga Saga was founded in 1989 with headquarters in Belgrade, Serbia. The company has established partnerships with more than 70 renowned companies working within the IT industry. Saga is the biggest system integrator in Serbia, among TOP 10 in Adriatic, and it is the market leader regarding the achieved results, number of employees and the level of their knowledge, training and expertise. The company's HQ is still in Belgrade, and Saga today owns subsidiaries in Podgorica (Montenegro), Banja Luka (Bosnia and Herzegovina) and Skopje (Macedonia). In 2009 Saga became Member of New Frontier Group – the most perspective group of ICT companies in Central and Eastern Europe. In 2013, Gartner named New Frontier Group one of Top 10 Companies in IT Services in Central and Eastern Europe. Also, part of Saga group are NF Innova, NPS and Smart (Novi Sad). Saga group now has over 390 employees who have over 1600 IT certificates. Our representative clients are companies from telecommunications, finance, public, oil & gas and manufacturing industries.
