Description

Casa Forte is a private enterprise engaged in commercial business, advisory services and training bussines. We are on EBRD consultants list and we successfully completed 2 project in last year, that highly improve Clients Sales and net results. Company is founded in 2012 year as a result of two business partners idea (Veljko Davidovic and Biljana Lazarevic). During our rich careers in local and international companies in various industries (equipment, buildings, furniture, FMCG, logistics and distribution etc.) and banking sector, we have acquired a large number of contacts. Our business partners highly appreciated our knowledge, experience and meaning and we were hired to do a work for them in different areas: various costs calculations, prices calculations, assortment and stock management, negotiating on their behalf, training for employees etc. The idea to start a company that will provide such services is inspires by these business partners requires. We have wide base of Clients in Serbia and region. We are present on African market from the beginning of this year. In addition, we give strong support to the development of SME sector. Also, Female entrepreneurship and other aspects of the corporative and social responsibility are topics of great significance for us. We help in our frames (cooperation with SOS Children's village Kraljevo, assistance for children and abandoned in the street).
