BILATERAL MEETINGS

Wednesday 17:00 - 19:30

DESCRIPTION Behind Super Crops firm, lays an idea that overshadows its primary mission. Above anything else, we are parents with families and we wanted to offer something healthy, modern, new and fun to the market, something that will help all the parents in their effort of raising the children. Specifically, to help them in one of the most important area of parenting-gaining the trust of their children.
